Prepare for the
'new normal'

FFP2 Filtration

The Sky Xtra Face Mask features a highly effective composite filter layer sandwiched between two comfortable fabric layers. Filtration performance of > 95%, when the mask is new, exceeds the filtration level required by the familiar FFP2 standard and even after 25 washes the Sky Xtra Face Mask continues to achieve a filtration efficiency of > 90% ([View Performance Certificate for more info](#)). The comfortable design includes an ergonomic nose clip and adjustable ear straps to help maintain a secure fit. We can precisely Photo Print your logo, slogan and more onto the dedicated branding areas to make your Sky Xtra Face Masks truly distinctive.
