

Twister Go

The Twister Go is the younger brother of the [Twister USB Flash Drive](#). It features two USB connectors on the one Flash Drive. One end features the standard USB connector that you can use on laptops and PCs. The other end is a choice of either a USB-C or Micro-USB connector, suitable for use with portable devices such as smartphones, tablets and digital cameras. The protective cap is tethered to the body of the Flash Drive to prevent loss.
